## Proudly Hosted By Andersens Dalby

Andersens Dalby is the premier home furnishings provider not only in Dalby but the south-western downs region. We boast a complete range of floor coverings, including carpet, vinyl, timber and laminate; ceramic tiles for floor and walls as well as tiling accessories; and window furnishings including blinds, shutters and awnings for internal and external applications. A new addition to our business is a large range of custom order rugs, for which we have samples in store.

Andersens Dalby is a complete destination for builders, tradespeople and building or renovating customers where our clients are able to view, compare and select the most fundamental elements for their home. We are large enough to be able to competitively and successfully complete commercial contracts while still being small enough to provide the personal touch.
