SunPork Farms is the foundation of the SunPork Group of Companies and is focused on producing high quality, sustainable, welfare-optimal pork. SunPork Farms Tong Park is located at Warra on the Darling Downs and is one part of this Aussie Owned Group – one of the largest pork supply chains in Australia. Tong Park is a 9,000 sow farrow-to-finish piggery, we market 3,700 pigs every week into our internal supply chain -SunPork Fresh Foods, being processed in Kingaroy.

Tong Park employ 90 staff who care for over 100,000 animals at any one time. We have highly skilled and trained staff and strive to be an employer of choice in our region. We are highly motivated to be an active part of the community, sponsoring many events in the local region. Although Tong Park does not market direct to consumers, all of our products can be purchased at butchers, supermarkets, pubs & clubs under one of our marketing arms.

We are proudly Australian Owned & Operated, and proud to be a part of the Western Downs Community.
